Words of Wisdom From the President

Well, there's still little going on here radiowise. Last week I started on a stronger round of chemo. Everything before didn't seem to cause any remission.

The new regimen is called CHOP-R if that mean anything to anybody. At least the shingles is pretty well gone. My advice: if you haven't had a shingles shot,

get one.

I finally did find someone to climb my tower to see what the problem was with my antenna. He was able to not only find the problem but fix it. He got a nice tip since I might need him again someday.

I hope if Dennis or his nominating committee calls, you will give serious considera-

tion to accepting an office. Also, don't forget it's dues time. Still \$25 for individual and \$35 for family. Glenn tells me you can pay them by PayPal.

Card Checking

If you have cards that you want checked, please bring them to the meeting. You should plan on arriving early around 11:00 to give Earl enough

time to check cards and then grab a bite to eat. Please contact Earl at n5zm at adxa dot org and let him know if you are bringing cards.

WAZ 40 Meters RTTY—N5ZM

In case you haven't seen or heard (now SERIOUSLY how unlikely is that), Earl, N5ZM, was presented with the CQ's #1 WAZ 40 Meter RTTY

award recently. Congratulations Earl!
