ADXA MEETING MINUTES

The Arkansas DX Association held its second quarterly meeting on June 13, 1998, at the Old Post Road Park, in Russellville. Members attending were Earl

(N5ZM), Glenn (AB5RQ), Dave (K5DV), Lenny (K5OVC), Ollie (W5GO), Dennis (W5RZ), Paul (AF5M), Myrtle (N5OOI), and Ken (K5ALQ).

Dave (K5UZ) called the meeting to order at 1330 Local and welcomed all of our guests.

Under Health and Welfare it was noted that John Carter became a SK and that flowers were sent.

Lester is doing ok and has been seen at hamfest and heard checking into nets.

Old Business:

A motion was made and seconded that the reading of the minutes of the last meeting be waived. The motion carried and the minutes were accepted as published in the ADXA newsletter.

Glenn (AB5RQ) gave the Treasurers report. Glenn reported the activity on the account and that there are no outstanding debts for this quarter. A motion was made and seconded to accept the Treasurers report as stated.

New Business:

NL7RQ is new member.

It was decided that ADXA will send a \$50 contribution to the organization that is hosting the ADXA listserver.

It was reported that ADXA made \$36.00 for their work at the Little Rock Hamfest.

Discussions on the Little Rock Hamfest ensued. Most thought it was a good hamfest and that attendance was about the same.

Mentioned that the W5 bureau has been moved to

Magnolia DX Association, Wiggins, MS. Sorters may be needed.

Wayne (K5MB) has requested pictures of all members sitting at their radios.

Packet Cluster availability is improving. WD5B has done a lot of work improving the setup.

A motion that K5DV to become a DX card checker was made. The motion carried with one opposing vote (just to keep it from being unanimous).

Beginning with next newsletter, delinquent members won't get a mailing. It was suggested that a membership list be included in next newsletter.

K5EJ may have an open house for DXers.

Discussions on packet cluster. Interest in the 6M (50.615) backbone. Also discussion on 9600 baud packet system upgrade but it was suggested that we get the 1200 baud up and working and then upgrade to 9600.

Dave (K5UZ) announced the New Orleans International DX Convention was scheduled for August 14 – August 15, 1998. All should try and attend.

It was also announced that K5ALQ earned his Extra recently.

There being no additional business the meeting was adjourned.
