Old Business

AB5RQ read the treasurer's report. AB5RQ began reading the minutes and a motion was made to accept them as printed in the newsletter. Motion passed.

New Business

Next Meeting will be at EJ Jones house, tentatively set for 18 September 1999 if that works with EJ's schedule.

NOTE (25 August 1999): To avoid conflicts with some local hamfests, the date for the next meeting has been changed to 25 September 1999. Directions on Page 3 of Newsletter.

N5KG application for associate member was raised for a vote. N5KG was approved.

Banquet -

N5OOI - has suggested that the club members would be willing to chip in to cover the expenses of bringing Chuck Brady, Astronaut, to the banquet in December.

A motion was made by N5QS that the club pursue getting Brady. N5ZM (ex KD5ZM) seconded. Motion carried.

Since Lenny has worked through this before, it was suggested that Lenny work with W5RZ to take care of getting Brady here.

The 1999 Banquet will be in LR. N5OOI suggested that we get the room(s) **NOW!**

Tentative date for Banquet is **4th and 5th of December 1999.**

N5UZ to take care getting hotel and room(s). Many suggested the North Little Rock Hilton. Another suggested was the Howard Johnson's. Look for a low guarantee for banquet.

Presentation

Other concerns and announcements

Meeting was adjourned at 11:59 Local.

From The President

David Norris, K5UZ

Greetings to all ADXA members and friends, big guns and little pistols and QRPers! I trust all of you managed to stay cool over the long hot summer. I want to thank all for your prayers and support (which seems to be working), as Susan has been feeling a bit better the past few weeks. She is still not out of the woods, but she is feeling like getting out and doing a few things. It is hard to believe that August is winding down and September is just around the corner.

Speaking of September, it is time once again for the third quarterly meeting of the ADXA. The meeting will be held at Dr. E.J. Jones's (K5EJ) QTH in Batesville, AR. Directions to K5EJ are on the map, so just follow the instructions, and when you get to Quail Valley Drive, look up. E.J.'s QTH is under the big 6 element KLM 20m monobander at 150 feet. You can't miss it! Lunch is at 12:00 PM; the meeting is at 1:00PM. There will be loads of fun and food, plus plenty of tall towers and tales. Also, the club needs to vote on the final arrangements for the December Banquet at Little Rock.

Tony EA5BY writes to me and requests donations for the Lynx DX Group's trip to 3C0. 3C0 is high on the most wanted list, and has not been QRV for several years. Tony is requesting a donation from the ADXA to help defray the large transportation costs that the group has incurred. K5UZ is sending \$25 for the cause, and it would be a good

chance for the ADXA to help the Lynx Group's commendable effort. Members can make personal donations to: The Lynx Group 3C0 Expedition
