Words of Wisdom from the President

Earl Smith, N5ZM

Also Head honcho in charge of the Samples Kontest Klub

Well here it is time for the 4th Quarter ADXA Meeting. It does creep up on you fast. I hope everyone has been able to work the ones they needed. Please invite someone that has an interest in DXing or contesting to one of our meetings. We would enjoy meeting them.

Well it is now upon me I am retired. As of last Friday, 18 November I am no longer in the work force. So far I cannot tell any difference in the day-to-day happenings. But will be looking for that first Government check in January. With the Holidays and all I will be busy. Next month I will be going to Pensacola to W5AA's place and swap out the Hurricane Ivan destroyed antennas with a new Force 12 XR5. Dick passed away 2 years ago but his wife Jo Ann, N5FBW, still stays in contact daily with her sons in Costa Rica and Panama. Myself and George, N5GH, from Jackson, MS will get Jo Ann back on the air with a beam instead of the dipole she has

been using.

As far as what has been going on here radio wise I now have 10 confirmed on 6 Meters. My first reward of being retired came when I worked Z245 for a new one on CW, number 329. Then two days later worked him on 40 CW for a new band country. Looks like this retirement might be a good thing after all.

I hope to see everyone for the 4th Quarter meeting in Little Rock on the 3rd. Rick, AI5P, will have a great program for us, touring the South Pacific and other Exotic places. Then we go to the nearby Ryan's for dinner. Hope all of you can make it. C'ya there.

Earl N5ZM..
